Investing in the
future, changing
lives since 1956

The Print and Graphics Scholarship Foundation (PGSF) is a non-profit organization that offers undergraduate college and technical school scholarships, grants, and graduate fellowship assistance to individuals interested in graphic communication careers.

Our mission is

1

To financially support students pursuing a career in the field.

Students pursuing a career in graphic communications, printing technology, printing management, graphic design, or publishing are invited to apply for scholarships. Applications open annually in November.

2

To create awareness of graphic communications as a career path.

PGSF operates under the oversight of a board of directors comprised of industry leaders and educators with a passion for the industry and who are dedicated to furthering our goals and mission.

3

To provide resources.

Both through connections and financial grants to technical and educational programs, as they continue to expose and teach the next generation of industry leaders and employees.

Our Impact on the Industry

PGSF recipients include full-time students as well as those working in the print and graphic communications industry who seek additional education to further their careers. The financial assistance we offer makes all the difference to nurture our future workforce.
