

What Comes Next Starts With You

As an educator, everyday you help students discover what's possible.

We're here to help you strengthen learning experiences and connect students to the world of graphic communication.

 EDUCATORS

Empowering educators, everyday!

Individuals, departments and academic programs can take advantage of funding, community and valuable resources.

The Foundation
for Graphic
Communication
Education

Formerly the Print and Graphic
Scholarship Foundation ()

The Foundation Grant Program - equipment, curriculum enhancement, and professional development.

Graphic Communication Education Association - join this international network of peers at our annual conference and the GCEA online forum.

The Introduction to Graphic Communication Book - a comprehensive educational resource + online content designed to prepare today's learners for success tomorrow. Ideal for introductory classes and degree programs.
